Men's representative  
on 0439 928 001

Bookings are essential. Social distancing measures will be in place at all times and we encourage patrons to practice excellent hygiene. All individuals are responsible for themselves and risk penalties if not compliant. If at any point you feel unwell, please ensure you stay home and respect your fellow bowlers. There are strict restrictions to the number of patrons that will be allowed on the greens at a time. We appreciate your understanding and patience during this time.
